Argentina

Dear Praying friends, It has been a very profitable few months for the work here in Argentina. The ministry schedule continues at full speed, and we are very excited about a good number of first-time visitors. We have also been in contact with numerous house rental companies in the city of General Roca for months now and are baffled that the only available housing is two-bedroom apartments. Most places in Argentina tend to stay in a sort of a housing crisis and this was only made worse during the quarantine. However, many things have been changing here in our current city of Bahia Blanca. First, just a few weeks before our furlough, we moved the church from the center of town to the opposite side of the city. This has been a great move for the church because it is a neighborhood area and all the new visitors have walked in from the surrounding neighborhood. However, for our family the commute is nearly three times as long, often taking 40 minutes depending on traffic. At the same time, we are seeing a lot of growing interest among the many contacts that we deal with on a continual basis in our own neighborhood. Please be in prayer for us as we seek God's guidance and his will concerning this next step in ministry.

Thank you for your faithful prayers and support.

Welcome

Dear Friends,

Welcome to Rivermont! We are thrilled to have you join us for worship this morning.

As we gather together today, let us remember this powerful truth for God's children found in the Scriptures – greater is He that is in you than he that is in the world. Let us draw strength and courage from the Holy Spirit within us. We are blessed to have each other to encourage and support one another in the faith. May our time together this morning be filled with joy, peace, and the presence of the Lord.

In the morning service, I will be sharing a Bible message from I John 4 – Greater is He that is in you. Let us take time to quiet our minds and hearts, to listen to God's voice, and to seek His will in all that we do. Thank you again for joining us today and may God bless you abundantly!

Love in Christ,  
Pastor Justin Dove
